

EDUCATION AWARDS

Manitoba GIS Users Group (MGUG) Educational Awards recognize outstanding achievements, skills, innovation and contributions in the field of Geospatial Technology.

From research to transformative applications, celebrate those who are shaping the future of geospatial technology through their commitment to excellence in education.

This is a fantastic opportunity for students to showcase their work and be acknowledged for their dedication to advancing the GIS community.

Submissions can include any of the following:

◆ Papers ◆ Reports ◆ Posters ◆ Interactive Media ◆

Janos Boda Post-Secondary Award in Research GIS

to demonstrate the use of GIS within a larger research project.

Bimal Adhikari Post-Secondary Award in Applied GIS

to demonstrate the technical and/or applied use of GIS for a specific problem or task.

Submissions will be scored by a panel of GIS professionals for
Innovation ◆ Creativity ◆ Communication ◆ Geospatial Applicability

Information & application forms are available on the MGUG Website
